CEREMONY LOCATIONS

There are some beautiful spots in the National Park for your ceremony and each make a spectacular backdrop for your ceremony and photos.

DOVE LAKE / THE BOAT SHED

This iconic National Park location is a short 30 minute shuttle bus ride from the stop near the lodge. Ceremonies are not encouraged down at the Lake, however access is provided via private car with our photographer for you to have photos down at the Lake/Boat Shed after your ceremony. The Boat Ramp allows for a maximum of 40 people and the Boat Shed 15 – including your officiant and photographer. We will apply for your permit and take care of those details.

Please see below details of the National Parks Pass that your guests will need to attend your ceremony at either of these two locations. (some restrictions apply)

PENCIL PINE FALLS

Stand on the platform that showcases Pencil Pine Falls in the background. Access is via a boardwalk and allows for a maximum of 15 guests.
