

In Italy they take their drinking as serious as eating. With specific drinks for specific courses whether it's a pre-dinner cocktail or prosecco to stimulate the appetite, a nice glass of Italian wine or beer matched to the dish or an after dinner digestivo to help it all go down.

At Bicicletta we have designed our menu to highlight the variety of Italian cocktails, wines, beers and spirits to go with our dishes and promote the best of the Canberra wine region.

Our house wines are sourced from murray darling basin and the riverina wine region.

As well as the menu we have a changing of specials available, ask your friendly waiter what other magical drinks we have on offer.
