

MINERAL WATER

Santa Vittoria – Natural and Sparkling, Italy

500ml/1L

8/10

Italian mineral water bottled at the source, in the Dolomiti Mountains, Northern Italy. Extracted at a year round temperature of 8 degrees Celsius and contains an extremely low sodium level of 0.6mg/L.

Voss – Natural and Sparkling, Norway

800ml

15

Voss Artesian water from Norway comes from an aquifer in the pristine nature of Southern Norway, protected from pollutants by layers of rock and sand, producing pure water unlike any other.

Badoit –Sparkling, France

750ml

12

One of the finest mineral waters, Badoit is a light natural sparkling mineral water. The gourmet's mineral water, seen on the tables of most restaurants in France as an accompaniment to good food and wine. It is known for its fine bubbles which enrich the taste of gourmet food.

Antipodes – Natural and Sparkling, New Zealand

1L

15

To be at your table today this water has simply risen to the surface from the deepest aquifer in New Zealand and been bottled at the source. With no treatments needed to stabilize or filter it, antipodes is naturally one of the world's purest waters scientifically categorized as the deepest highest quality artesian water in New Zealand.

Fiji-Natural, Fiji Islands

500ml/1L

8/11

Fiji Water comes from a single place: the remote Yaqara Valley of Viti Levu (one of Fiji's two principal islands). Here, hundreds of feet below an ancient rainforest, is a vast, geologically unique, underground aquifer from which we draw our water.

The Power Of Creativity

“With its strong personality and extraordinary power, it is symbolic of the Extra Cognacs. Here we have a cognac that could even be described as virile, marked by the presence of old Grande Champagne, from which it draws rancio, roasted aromas marked by a hint of bitterness, Benoit Fil; Cellar Master”
