WE'RE ALL ABOUT UNFORGETTABLE MOMENTS ON MAGNETIC ISLAND

### **LOCAL BEACHES**

There are a variety of beaches hidden amongst the bays on Magnetic Island which are great for lazing in the sun or enjoying a game of ball or beach cricket. Some beaches can only be reached by foot or boat so you can find your own private patch of sand.

### **GREAT BARRIER REEF**

You will find an option to suit your style amongst the sailing, island day trips, specialist dive boats or dedicated reef pontoons that local operators offer. Fringe reef for snorkelling is also found at several locations around Magnetic Island.

### **FISHING TRIPS**

Casting a line from the rocks on the point or taking a sea charter are all available for beginners or die-hard fishing fans.

### **LOCAL DAY TRIPS**

Rent a car for exploring the local areas of Arcadia, Nelly Bay and Picnic Bay on Magnetic Island as they have been popular for years. Discover the local art galleries and cafés around the island.

### **OCEAN ACTIVITIES**

Relax with sea kayaking or get behind a boat for skiing.

### **RED BARON SEA PLANE**

Our guests tell us that flying in this open cockpit biplane over Magnetic Island was the best way to view the island. This historical plane starred in the movie *The Phantom* and is available for you to experience.

### **RELAXATION**

Ask about the options at our onsite endota day spa. Treat yourself, you know you deserve it.

### **CULINARY DELIGHTS**

Enjoy the chef's creations at our onsite restaurants. Menu changes to match seasonal flavours and produce.

### **CRUISE ONBOARD THE PROVIDENCE**

Book a cruise on *The Providence*, the island's only tallship, a 62 foot gaff-rigged schooner. Options include a lunchtime sail (snorkelling and lunch included), afternoon sail, or a sunset sail with complimentary glass of bubbles and nibbles. Families welcome.

### **HIKING AND WALKING**

Many people don't know that over two thirds of Magnetic Island is protected national park with over 25 kilometres of tracks. Our favourite is the two kilometre walk to the Forts where you will have a very good chance of seeing a koala in the wild.

**For more information on these activities  
& many more please contact reception.**
