Peppers Craigieburn invites you to experience Foot Golf.

Foot Golf is the result of combining the popular sports of football (soccer) and golf. The rules largely correspond to the rules of golf.

This game is played, for the most part, without the supervision of a referee. The game depends on the integrity of the player to show consideration for other players and to abide by the rules.

All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times. This is the spirit of the FootGolf game.
