Tea Menu

English Breakfast – Bright morning tea with strength, colour, and a beautifully even broken orange pekoe leaf yields a burgundy coloured brew robust and strong yet bright and bold flavoured.

Earl Grey – A bold, right and single region, gently infused with bergamot flavours, balanced medium strength with citrus note with floral and fruity flavours balances.

Spiced Chai – Authentic Chai combining spices (clove, ginger and cinnamons) the piquant and spirited real chai offers woody sweetened of cinnamon, gingery warmth and fragrance of aromatic clove.

Pure Peppermint Tea – Caffeine free and ideally enjoyed after meal to cleanse the palate and aid digestion.

The natural peppermint oil leaves imparts a fresh minty fragrance and add sparkle to the infusion.

Peppermint & English Toffee – Gourmet Ceylon tea indulge with a creamy and rich English toffee note finishing with sparkling peppermint, yielding a complex and sensual tea.

Berry Sensation – A high grown single region ceylon tea in fruit harmony with strawberry, raspberry and blueberry. The complex of flavours come together in a perfect berry marriage.
