

Mornington Peninsula is a special place where vines thrive in sheltered undulating valleys, nurtured by a cool maritime climate, bathed in sunlight and cooled by bay breezes. Winemakers in the area create elegant, personality-packed award-winning wines. The region produces predominantly Pinot Noir, Chardonnay and Pinot Gris/Grigio, with a small emerging presence of Shiraz creating a diverse wine region.

Mornington Peninsula in A Glass

Crittenden Estate Rollo Crittenden is a second-generation wine maker. The home vineyard, first planted by his father Gary in 1982 and is situated on the lower northern slopes of Red Hill and has ideal conditions for growing traditional cool climate European varieties. *‘Great wines are created in the vineyard and are only enhanced in the vats and barrels’*

Foxeys Hangout Brothers Michael and Tony Lee planted their first vineyard in 1997. Since 2007 they have farmed their vineyards biodynamically. Their winery/cellar door/restaurant is built on a historic farming property in Red Hill. *“Wineries do not make flavour: flavour comes from grapes, we influence the journey from vineyard to bottle”*

Paringa Estate Lindsay McCall purchased a derelict orchard in Paringa Road in 1984. He has turned it into one of the peninsula top vineyards/winery. The list of awards that Paringa Estate has collected are testament to the quality of the wines and the passion of the people who have made them.
