## Conferences at Peppers The Sands Resort

Just over an hour from Melbourne and 20 minutes' drive from Geelong lies Peppers The Sands Resort, a unique and modern resort that is packed with experiences and geared for corporate gatherings. The venue offers a range of adaptable event spaces, equally suited to an intimate board meeting as to a comprehensive conference or spectacular gala event. The dining will be inspired and the service of a premium standard.

Floor to ceiling views across the 18 hole championship golf course are uninterrupted all the way to the rolling dunes and cliff face of Victoria's famous Surf Coast. Here the Great Ocean Road is just down the road. You are on the Bellarine Peninsula. Teams can tour boutique wineries or gourmet producers, surf Bells Beach, sky dive, pursue all manner of water sports and enjoy signature dining experiences on-site at Hanners Restaurant.

Discover a region rich in original activities and impressive indulgences.

## Team Building Activities

### **Golf**

Designed by Stuart Appleby, the onsite golf course offers 18 holes, five tee positions, pitching and putting greens, driving range and a golf pro. The choice is yours! We also offer golf teambuilding clinics for everyone to enjoy.

### **Tennis**

Two onsite tennis multi-purpose courts are available for team challenges.

### **Golf cart rally**

Get your motor running with our signature team building experience golf cart rally. The rally is fun and exciting and allows the whole team to interact as one. Cap off this low octane adventure with a few cold drinks and a prize ceremony while enjoying the view over our course.

### **Whitehill Wine Company**

Whitehill Wine Company is a local wine distributor and events company that provides customers with a unique, educational and enjoyable wine experience.

### **Unique Experiences**

Our partners, Big Stick Adventures & Adventure for Life, specialise in unique experiences for the corporate market. All incentive and teambuilding programs are tailored to align to your corporate strategy and desired team dynamics.

### **Wilderness Rescue Scenarios**

Wilderness rescue scenarios are perfect for executive teams, new teams, or induction programs. Delegates test their skills and team performance with a realistic rescue scenario.

### **Resilience**

Prepare your team for change involves an Amazing Race where nothing goes right. Resilience is a team building program that will prepare your staff for an exciting future.

### **Corporate Orienteering**

The corporate orienteering challenges test the group's navigational, problem solving, mathematic, linguistic and communication skills. This activity is all about planning, communication, and execution. To add a CSR aspect, each point can earn a dollar amount donation to the company's preferred charities.

### **Tuf Corporate Mudder**

Muddy obstacle courses are a great way to bring a team together. Race each other in the mud pit relay, take an ice bath, or enjoy a 50 meter giant slide.

### **Choose your Adventure Day**

For large conferences (60 people +) Adventure for Life can set up a private branded webpage that allows delegates to register their preferred adventure activity.
